We have hit the warmest, brightest time of the year and we are all feeling it!

Finally, summer has arrived and is not holding back- from heat to hail, sunshine to rain. Summer is a time to get together with family and friends at the cabin or on the back deck. Gatherings bring us back to our roots, give us a chance to connect and slow down. The hustle and bustle of our daily schedules can get in the way of finding time to make the phone call, plan the coffee date and really remember what is most important.

Now that we are in the thick of it, we look forward to being together, seeing your families visit and relish in the beauty of the sunshine.

Our Annual Family Picnic is coming up on August 15<sup>th</sup>, this is such a great opportunity to meet neighbors families, enjoy gathering in a different way and really embrace how special our community is.

Our team is thoughtfully planning a great evening but we don't want to wait for our annual picnic to enjoy your- and your families- company. Remember we have the Lions Den and the AL Dining Room to reserve and share with your loved ones on a reserved basis. Engel Haus is your home and we want you to continue to host your family and friends here, as you would have at your home before Engel. Invite an old neighbor for lunch, put a round of balls on the putting green with your grandkids, sit on the front porch with a sibling or shoot a round of pool with a loved one.

Enjoy this summer, we waited 9 long months for it- and thank you for making Engel Haus a wonderful place to live, visit and work.

## Activities Avenue

It has been so great to get out in this beautiful summer weather! We have enjoyed going to the concerts in the parks, farmers markets, parades, ice cream trips, scenic drives and much more! We kicked off July with our summer choir concert! Our talented residents did an excellent job taking us back in time singing throughout the decades, with the guidance of our amazing choir director Linda. The annual Engel Haus family picnic will be on Thursday, August 15th from 4-6pm. It will be located out in front of the building. All families are welcome to come and enjoy a meal, live music, yard games, balloon artists and more! Please RSVP to Shari at the front desk with how many from your family plan on attending.
